Demographics and prior knowledge

Prior knowledge and instruction preferences

➢ *First step: brief clarification of what the study participant understands by a process model*

➢ I already worked with process models: ☐yes ☐no

➢ I worked actively with process models: for …….. year(s) for …….. month(s)
          …….. week(s) …….. hour(s)

➢ I work with process models in the following context:
     o modeling
     o execution
     o both

➢ When I have to do something new or teach myself, I prefer instruction that is **mainly**…

     o text-based
       (cf. cooking recipe, instruction manual, game instructions, package insert)
     o image-based (symbolic/image/video)
       (cf. assembly instructions (furniture), youtube videos (hair cutting))
     o diagram- or list-based
       (cf. step-by-step instructions (Corona self-test), behavioral instructions (car wash)).)

Demographics

Age   …….. years
Gender
     o male
     o female
     o diverse
Highest level of education
     o primary school
     o lower secondary school
     o secondary school
     o high school
     o university

Focus of education: ………………………………………………………………………………….

Position in the company   ………………………………………………………………………………….
